

BEFOUR

SPORTS & FITNESS SCALES

Free Standing Scale with LED digits

Model FS-0900

With its plug-in design, the FS-0900 is a general purpose scale that provides quick, accurate, and reliable weight measurements. Designed with functional basics in mind, the FS-0900 is quick, reliable, and extremely accurate in high-volume environments. There are no moving parts to wear out, making it entirely maintenance free. Stand-on scales like the FS-0900 are ideal for locker rooms, fitness clubs, and personal use. Included Plug-in AC adapter.
