PROFESSIONAL HEALTHCARE SCALES

Portable Bariatric Scale with BMI

MODEL MX170

The ultra-rugged, oversized, MX170 scale - with 1,000 pound capacity - is ideal for bariatric clinics.

This scale has no detectible flex underfoot and the rock-solid platform incorporates triple-walled extruded aluminum framework and full-perimeter tensile reinforcement. The **extra-large platform** provides stability, while the built-in handle, battery power and display console storage cavity provide maximum portability. Operation is simple and intuitive, even for the first time user.

The scale offers many **advanced features which come standard**, including Befour's proprietary MotionLock technology and ECO Weigh battery system for years of use and allows the scale to be used anywhere.

All Befour scales are **built to last**, constructed of anodized aluminum, backed by an **'industry leading' 3-year warranty** and are **Made in the USA**.

FEATURES & BENEFITS

Pin point accuracy of ± 0.1 lb.

High Capacity: 1,000 pounds

Fully Assembled: Arrives ready for use - simply insert the provided leveling feet and batteries

Portability: Built-in handle and recessed storage cavity for display console, create an easy-to-transport weighing system

Built to Last: Rugged, non-corroding all-aluminum design weighing only 25 pounds

Display Console: LB/KG lockout, programmable settings, BMI output, auto zero, recall, reweigh ability, and more

MotionLock automatically facilitates quick & accurate weight, even for the most unsteady user – no intervention of the care provider or patient required.
